Astonishing in breadth and depth, the content in this formidable file, as well as the research material included in every one of the scholarly editions available, is superb throughout.

... This title should be owned by every research library serving serious scholars in the humanities.

—Cheryl LaGuardia
Library Journal,

An invaluable tool, which not only saves time, but makes possible research of a thoroughness not previously possible.

—Roger Crisp, Editor of *Utilitas*
St. Anne's College, Oxford University

In the world of scholarly electronic publishing, InteLex continues to get it right, as they have from the beginning... I recommend InteLex databases to libraries wholeheartedly, not only because they are superior publications and a good deal, but also because InteLex is the kind of electronic publisher that academic libraries need most in the 21st century.
